Wenhui Zhu  
State University of New York at Binghamton  
PO box 6000,  
Binghamton, NY  
USA

Dear Wenhui,

I am writing to congratulate you on your successful application for a 2015 M&M Presidential Scholar award. Your award is sponsored by the Microanalysis Society (MAS). The award includes complimentary student registration for the full M&M 2015 meeting and financial support of up to \$1000 to help defray expenses to attend the meeting. **Additional details on registration and reimbursement procedures will be sent to you in a separate message.**

Your award will be conferred at the Microscopy and Microanalysis 2015 meeting during the opening Plenary Session on the morning of Monday, August 3<sup>rd</sup>. You will also receive an invitation to the Presidents' Reception, hosted by the Presidents of the Microscopy Society of America (MSA) and the Microanalysis Society (MAS), which will be held on Tuesday evening, August 4<sup>th</sup>. We would also be pleased if you can attend the MAS business meeting on Wednesday evening at 5:15 PM followed by our annual MAS Social at 6:30 PM. Details on all of these events can be found on the MAS website, or onsite in Portland at the MAS society booth in the registration area.

The application pool was extremely competitive this year. Proceedings papers from more than 300 students were reviewed, of which only a small number were selected for M&M Meeting Awards. You and your advisor should be very proud of your excellent work and successful application. Congratulations!

Sincerely,

Thomas F. Kelly,  
President, Microanalysis Society
